

~~SECRET~~
DRAFT

The Honorable McGeorge Bundy
The White House

Dear Mac:

I forward herewith your personal copies of the Proceedings of our conference of last fall on intelligence methods and of the special supplement thereto. I am having two additional copies of each document sent by the usual distribution to Tom Parrott.

I thank you again for your contribution to the program of the conference. Your talk was both interesting and provocative. It makes an excellent lead-off piece to a volume of which we are quite proud.

Sincerely yours,

RAY S. CLINE
Deputy Director (Intelligence)
